

# 2019 Big Event Organization and Group Registration Form

This is the form in order to include your organization or group as an option from the drop-down list during volunteer registration. All groups need to sign up using this form for your members to be able to register to participate with your organization on the day of The Big Event.

Please take note of the fact that each organization will only have one group leader (you) in charge. You will be responsible for transporting all required tools to your jobsite, for communicating jobsite related information to your group, and for attending ONE informational meeting during the week prior to The Big Event.
