

# Animal Day @ NUS - Survey

Animal Lovers League (ALL) is a registered charity and home to about 500 dogs and cats. The animals under their care consist of vagrant strays, abandoned, traumatised, abused and rescued animals. ALL is strictly no-kill.

Some of the many different tasks that founders, Cathy and Mohan, as well as volunteers carry out to care for the animals include feeding them, treating sick animals, bringing them for veterinary check-ups and when they are sick or injured, vaccinating them against illnesses, and neutering/sterilising them. In addition, ALL also feeds hungry strays on the streets.

ALL constantly needs the support of the public to help keep the charity running and continue caring for the animals. Some of the ways members of the public can help include adoption, sponsoring a rescued animal in ALL's care, monetary contributions and monthly pledges, donating food for the animals and volunteering.

If you are interested to stay updated of ALL's activities, please proceed to complete the following form.
