Health related questions

Before you sign up for Boulderactive 2018, here are some questions to answer and to assess whether you are physically well and fit to participate in Boulderactive 2018;

1. Has your doctor ever said that you have a heart condition and that you should only do physical activity recommended by a doctor?
2. Do you feel pain in your chest when you do physical activity?
3. In the past month, have you had any chest pain when you were not doing physical activity?
4. Do you lose your balance because of dizziness or do you ever lose consciousness?
5. Do you have a bone or joint problem (for example, back, knee or hip) that could be made worse by a change in your physical activity?
6. Is your doctor currently prescribing drugs (for example, water pills) for your blood pressure or heart condition?
7. Do you know any other reason why you should not do physical activity?

Health declaration [Required]

For your own safety, you are not allowed to participate in Boulderactive 2018 if none of the below declarations apply to you:

- My answers to all the above questions are "No". I would like to declare that I am physically well and fit to participate in and undertake the rigours required by Boulderactive 2018.

Valid input:
