

Miners Lend A Helping Hand Day of Service 2018 Community Partner Registration

On Saturday August 18th, 2018 Student Life at S&T will host our first annual Miners Lend A Helping Hand Day of Service. This event brings together many new students as well as a handful of leaders on the S&T campus to make a positive impact in our community. As part of this event we are providing a free lunch to all volunteers and up to 2 people from each community partner. Lunch will be from 11am-12pm, there will be related questions in the form for specifics. We put volunteers into groups and send them out to different community partners in the area to do a service project from 12pm-4pm. Please fill out this form if you are interested in hosting a group of volunteers at this time. On the form we will ask you to let us know specifics on amount of volunteers, project type, etc.

Please register by Monday July 23rd, 2018.

If you have any questions, please contact Sierra Shields sssz93@mst.edu or Jessica Haywood haywoodj@mst.edu.
