PBMUKS Annual General Meeting (AGM) also known as Mesyuarat Agung Tahunan is an annual event to handover office from outgoing 50th committee to the incoming 51st committee.

During the AGM, each secretariat will deliver a formal presentation of the respective ad-hoc events, highlighting the improvements and challenges that the event faced. For the benefit of our humble sponsors and other organisations, the Honorary Treasurer will also provide a full financial report to reflect the transparency of PBMUKS financial status as a registered society in Singapore. The AGM will also serve to appreciate and recognize efforts of the committee members from the various ad-hoc events.

We look forward to seeing you at our Annual General Meeting. Do follow us on Instagram @PBMUKS for any updates regarding the event.

Thank you.
