New Student Organization of the Year Nomination Application

This award recognizes outstanding achievement of a newer student organization within the past year. This organization must have been registered at TTU for three years or less. The review criteria will include the organization's ability to meet the goals and objectives stated in the constitution. The organization should demonstrate a high level of achievement in one or more areas, such as membership involvement, organization development, leadership training and opportunity for members, shown active participation in TTU campus activities and community service.

To complete the online nomination for this award, the nominator will need:

To provide a Personal Statement as to how the student organization meets the award criteria
A letter of support from another individual who can speak to how the student organization meets the award criteria (It is strongly recommended that this letter is from the nominated Student Organization's Faculty/Staff Advisor)
3 photos of the nominated student org in action

The nominator also has the option to include:

One additional letter of support
2 other items of supporting materials (certificates, honors, achievements, event flyers, etc.)
