2016-2017 Student Organization of the Year

Texas Tech University

2016-2017 Student Organization Awards

Student Organization of the Year Nomination Application

This award recognizes the paramount achievement of a registered student organization over the year that causes the organization to stand out as compared to other organizations. The criteria in review are reflective of the organization's ability to meet their goals and objectives as stated in their current constitution. The awarded organization will have demonstrated a high level of achievement in many areas, including membership involvement, organization development, leadership training and opportunity, active participation in TTU campus activity and community service.

To complete the online nomination for this award, the nominator will need:

To provide a Personal Statement as to how the nominated student organization meets the award criteria
A letter of support from another individual who can speak to how the nominated student organization meets the award criteria (It is strongly recommended that this letter is from the nominated Student Organization's Faculty/Staff Advisor)
3 photos of the nominated student org in action

The nominator also has the option to include:

One additional letter of support
2 other items of supporting materials (certificates, honors, achievements, event flyers, etc.)
