Leadership Summit Spring 2018

The Office of Student Activities and Organizations (SAO) will be presenting the annual Leadership Summit to our student leaders and members in student organizations as well as student employees. The Leadership Summit will be February 25, 2018 from 2pm-6pm in the Gateway Sounds on College Hill. Dress is casual and due to the event including several hands on activities, it is recommended that attendees wear comfortable shoes.

The Leadership Summit objectives include how to motivate and engage from within; driving change one step at a time; creating an environment of inclusion; developing a willingness to challenge, and be challenged; recognizing that the best solutions come from participation; realizing that you do not have to wait for leadership to initiate or drive change; and reflecting on your personal capacity to engage, motivate, and drive change.

**The Leadership Summit welcomes anyone who is passionate about leadership and desires to motivate and drive change! **Please note that anyone from a student organization is eligible to apply- you are not required to hold a leadership position. **Anyone that works as a student employee for a campus department is eligible to apply.

Thank you and we look forward to receiving your registration!
