Does your proposed organization overlap with any existing organizations? [Required]

Check the current list of student organizations and their purpose statements. View current organization purpose statements at <http://www4.uwm.edu/sao/involvement/orgs.cfm>

If there is some overlap, what makes the proposed new organization different from similar organizations? [Required]

Is it likely that there will be enough student interest in the organization to sustain it over time? [Required]

Will the proposed organization require special resources (facilities, equipment, etc.) to operate and if so how will the organization gain access to these unique resources? [Required]

Sports Club Items

For the Sports Club you are seeking to start, how many players does it take to play this sport? [Required]

How many potential members/players do you have already? [Required]

What is the name of the collegiate national or regional governing body that this sports club will be a member of? [Required]

All sports clubs must be a member of such a governing body. For example, Club Hockey belongs to American Collegiate Hockey Association.
