

Student Organization Incident Report Form

This form will allow you to submit a report regarding a student organization at Colorado School of Mines. Such reports may include information regarding risky behavior, dangerous activities, activities involving physical or emotional injury, and/or hazing.

Your report may result in an investigation by the University into the alleged incident. Every attempt will be made to keep all information submitted in this form confidential.

Please note that false reports impede the ability of the University to meaningfully conduct investigations of legitimate incidents. Knowingly submitting a false report or misuse of this form will result in disciplinary action.

For anonymous reporting of issues please consider the following site: <https://secure.ethicspoint.com/domain/media/en/gui/33377/index.html>

Incident Details

Name

Please note that you may choose to submit an anonymous report. However, this may impede our ability to fully investigate the matter, as it is often necessary to ask clarifying questions of the person submitting a report to our office. Providing your contact information will allow us to conduct a more thorough investigation.
