There are a limited number of spots available, please register today to guarantee your spot

DETAILS

International Women's Day "is a day when women are recognized for their achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political. It is an occasion for looking back on past struggles and accomplishments, and more importantly, for looking ahead to the untapped potential and opportunities that await future generations of women" (United Nations). First celebrated in 1911, International Women's Day honors the social, political and economic achievements of women while focusing world attention on areas requiring further action.

This year, we have also chosen to honor people doing work on campus around issues relevant to the lives of women, both here and abroad. We are particularly interested in those whose projects may not be well known, or whose efforts you feel deserve more attention. If you would like to nominate a particular unsung hero, please use this form. We will recognize the hard work of these nominees in positively impacting the lives of women here and abroad at the International Women's Day Tea. This event will also include a chance to have meaningful conversations with fellow WSU faculty, staff, and students.

Date: March 8, 2018
Time: 3:00-5:00 pm
Hot tea and light refreshments will be provided.

Location: CUB L60 (Butch's Den)
