Candidate Bios:

Jacqueline Gutierrez -
If elected Co-Vice President I will contribute to all that embodies the PWA and I will ensure members are informed of events and announcements, and provide many opportunities for networking purposes. Furthermore, I will perform any duties outside my job, if necessary because I believe in PWA's ability to empower women.

Lia Cabello -
As a Co-Vice President, I would support all Gaucho Staff in learning to be their best selves. I envision PWA as a place where Staff are encouraged, energized and inspired to be the best at their aspiration.My goal is to help seek resources for personal-discovery and support people to invest in them.

Please select a maximum of TWO candidates.

Co-Secretaries
Candidate Bios:

Cara Egan-Williams -
As a fairly new member of the PWA, I would like to continue as part of the group but take on a greater role. As Co-Secretary, I feel I can do that while still learning how things are run and build a foundation to possibly take on greater responsibility within PWA in future years.

Robin Brown -
When I was selected to be co-secretary, I know it allowed me to participate even more in my professional development. I gained immense knowledge about what PWA stands for and believe my confidence soared more. I would like to be re-elected as co-secretary for the 2014-2015 and continuing serving our membership.

Stephanie Jones -
I would love to serve PWA as the co-secretary. I think it would be a great opportunity to network with the fantastic women on this campus and contribute to the association in a meaningful way.

Please select a maximum of TWO candidates.
