Co-Vice Presidents
Raquel Ramos | I believe in the impact that PWA provides. PWA strives to create an environment in which we have the ability to network and give back to our community. I enjoy being part of a team and feeling useful and believe I will be able to thrive in PWA and make PWA thrive in our community.

Roxanna Van Norman | My vision is to be a creative and collaborative leader in my community and inspiring others to achieve their professional and personal aspirations. As co-vice president, I would reach out beyond UCSB to build a larger presence for PWA, increase development efforts, and promote the program prestige.

Please select a maximum of TWO candidates.

Co-Secretaries
Please select a maximum of TWO candidates.

Cara Egan-Williams | This past year was my first year as an Officer in the PWA. I have learned a lot and hope to continue learning and serving this Organization. Now that I am more familiar with the duties of an Officer, and the role of secretary, I feel I can help with a seamless transition into next year.

Marta Bowron | PWA is an amazing organization that brings knowledge and empowerment to women. I truly believe and will support the PWA mission and hope to have the privilege to become co-secretary. In acquiring this position I will encourage and support the PWA mission. I know this is remarkable opportunity for me and I understand the responsibilities of being co-secretary.

[ ] Marta Bowron

Treasurer
Elizabeth Pulliam | If elected Treasurer, I would draw on my experience processing reimbursements, reviewing invoices, and reconciling accounts. As the purpose of the PWA is to develop awareness for the contributions that women make to UCSB, let my contribution be to support the PWA and all women on the UCSB campus.

Please select a maximum of ONE candidate.
