The UCSB Professional Women's Association (PWA) promotes the advancement of women at UCSB and serves as a voice for women in the discussion of campus issues. PWA's goals include education, acknowledging women's contributions to UCSB, mentoring, and outreach to the campus and community.

PWA offers a limited number of $200 (minimum) book grants to re-entry/non-traditional students each year. The grants will be awarded to current UCSB re-entry/non-traditional students who might face unique challenges in completing their degrees as they juggle being a student, parent, wage earner, community volunteer, and/or participant in co-curricular activities. UCSB defines a re-entry/non-traditional student as someone who is returning to his or her education after a period of time, and/or is married, and/or has dependents. The committee will choose the grant recipient(s) based on a student's application and financial need.

Eligibility:

Applicant must be a currently enrolled UCSB re-entry/non-traditional student, as defined above.
Past award recipients are not eligible to re-apply.

Submission Instructions:

Applications must be completed online through OrgSync. Paper applications will not be accepted.
Applications are due by Friday, March 24, 2017 by 11:59PM PST.
Late applications will not be accepted.
