

2018 Risk Management Summit Registration

This year's Risk Management Summit will provide new and continuing leaders with education about how to manage risks within the fraternal experience. This year's program features keynote speaker, Steve Whitby, and many other programs addressing the current issues facing fraternity and sorority leaders. Some exciting new programs will feature discussions on sexual assault, vaping/other drugs, fire safety and many more!

This year's program has also been set up to allow more leaders to attend. Each chapter must bring nine (9) members and those who must attend are the President, Risk Manager, New Member Educator, and Social Chair. Every member/leader attending will need to complete this form to attend and must be present for the full program.

Any questions regarding this year's Risk Management Summit can be sent to Tayler Marshall, Assistant Director of Fraternity and Sorority Life at atmarsh@uoregon.edu. Please register no later than Wednesday, January 9, 2019 at Noon.
