

# Catalyst 2016 | Agreement form

Please fill out this form only after receiving a confirmation email from LeaderShape. Thank you.

We are so excited to welcome you to the first annual session of Catalyst at Boston College! Catalyst will begin on Saturday, March 19th at 9:30AM and conclude at 4:30PM in the Heights Room. Breakfast and lunch will be provided for all participants.

Catalyst is a great entry into the LeaderShape community. It is a one-day program focused on learning to develop your own authentic path, connect to groups and causes you care about, and commit to a plan to be a catalyst for yourself and the groups you're part of. We look forward to spending the day with you and getting to know each of you better. If you have any questions about this form or Catalyst, please let us know by emailing [leadershapebc@gmail.com](mailto:leadershapebc@gmail.com) or stopping by Carney 147!

When we partner with campuses and organizations, we believe working successfully together moves us all one step closer to our vision — a just, caring, thriving world where everyone leads with integrity and a healthy disregard for the impossible.
