

Pace Make A Difference Day - Spring Edition 2012

Thank you for your interest in participating in the 1st annual Pace Make A Difference Day - SPRING EDITION - sponsored by students for students! You are welcome to sign up as part of a team (i.e., student org) or sign up as an individual and we'll place you with other individuals or with a team. We may not be able to accommodate everyone's choice due to space capacities at certain sites. There are only 76 spots for volunteers currently available. A wait list will be in effect if we go over that total.

When is Pace Make a Difference Day - SPRING EDITION? The event is scheduled for Saturday, April 14th. Your start time depends on which site you are paired with - we will send you an email with your site information and meeting time/place. All our sites have about 2-3 hours of volunteer time.

For more information on this program please contact the Center for Community Action & Research by emailing ccarplv@pace.edu or calling (914) 773-3539.

Do you have an OrgSync account? If not, go to www.orgsync.com and "register" under Pace - Pleasantville/Briarcliff. You can then have access to all our student organizations and find out what's happening on campus. Our organizations use it as a management and communications tool.
